Anna,

I have questions about this request, is there time to talk about what information they are asking for? I'm in the office on Tuesday next week but I can take a call anytime.

Good Morning, Commander Dilworth,

Would you have any info on this PDR (PDR 25-1782):

“Regarding the dates between June 29th and July 8th where immigration related searches were performed via Flock, I have been unable to find any public statements or comments to council made prior to UW reporting uncovering this.

Please provide links or details of all public statements or information provided to council / the mayor on this matter prior to the UW reporting, particularly focusing on the timeline of these statements.

Please ensure that this request and its resultant documents are publicly visible.”

Thank you!
